Isn't it About Time You Had Something Great to Say About YOUR Lawn Care Company?

"Dear Kyle: We so often take the time to voice a complaint but don't bother when we have something good to say. I want you to know that you and your team at Lawnsavers are a pleasure to deal with. I am always able to get a real person on the phone to handle any of my questions or concerns and am even able to contact you personally by phone or email. The customer service is always prompt, professional and friendly. In fact, I am happy to tell you that I think Lawnsavers may be the best company I have dealt with in years. Keep up the good work! Looking forward to another season of great service,"

"I am not sure if any of my neighbours from last year are using your service this year. (I think they are crazy if they don't.) I had many compliments on my lawn from other people in the neighbourhood and always told them which company did such a fantastic job. I will prepay the service again...Thanks again"

- C. McFarland - Newmarket, ON, Canada

- R. Arrowsmith - Richmond Hill, ON, Canada

"I really appreciated your observing the spruce tree's condition as well as recommending corrective action last week. Why the dramatic change is beyond me- it was fine as recent as a week prior. I'm glad the treatment worked so well..."

- V. Jones - Richmond Hill, ON, Canada

"Thanks so much for the wonderful care and service you've provided for our lawn over the years. You know how important a healthy, green lawn is to me, and LawnSavers has been exceptional in meeting my needs. I wish you continued success and I look forward to calling you back once our new house is completed and ready for lawn care"

- N. Galea - Newmarket, ON, Canada

- L. Gotsulsky - Richmond Hill, ON, Canada

"I would also like to commend the staff & management for the good work they do. I am especially impressed with their friendly attitude, their courteousness, and their pleasant manner, which to me is every time I call the office.

Over the past year I have called about one thing or another and have always spoken to a very friendly voice. Also your tips and advice about the lawn makes me feel very good about the results, and my neighbour mentioned she was going to call your office.

Thanks again for everything, and for doing what you do, so well."

- S. Michael - Newmarket, ON, Canada

"I wanted to take this opportunity to thank you for the wonderful care that you have provided on our lawn. We have used the services of Lawnsavers now for four years and have been delighted because our lawn looks great. We were so pleased with Lawnsavers services that we referred our next-door neighbour. In fact, during last summer's municipal water ban, although dry, our lawn still looked terrific. A new neighbour moved in while the two-month water ban was on and commented on how our lawns looked the best on the street. He immediately requested Lawnsavers number. Now all three houses in a row have the best lawns on the street!

The service staff is knowledgeable, respectful and courteous. Lawnsavers actually does what they promise. I like the fact

I can trust Lawnsavers to treat my lawn safely, properly and as necessary. It has been a relief for us to have a comprehensive package that covers everything that could come up. It has been really nice not to get pestered with salesman telling me that I have to pay for additional services that I thought were included. Other than mowing and water, I can just enjoy my lawn and feel proud of it as I drive up to the house everyday.

We can certainly understand why LawnSavers was voted &ldquo;Readers Choice&rdquo; for Best Lawn Care Service in 2001 and 2002. Sincerely yours,..."

- K & M Collins - Newmarket, ON, Canada

"As a satisfied lawn care customer for the past six years, I had no hesitation in asking you to design and implement our front landscaping project at our new home. Now that the job is complete, I just wanted to drop you a line to let you know how much we love the new look and feel to the front of our house. You and your team did an awesome job from the initial design to the implementation. George and his crew were a pleasure even when they had to move the heavy boulders with my wife requesting a little to the left, back to the right and back to the left once again. They did an awesome job and they were excellent ambassadors on your behalf. We would strongly recommend your company for not only your lawncare services but also for your original, beautiful landscaping. Thank you again for all of your assistance and I can&rsquo;t wait for our next &ldquo;LawnSavers&rdquo; project."

- J. & K. Kofsky - Thornhill, ON, Canada

"Just wanted to let you know that I just re-ordered the Protector Package and paid for it through online banking...Anyhow, thanks again for making our lawn look so good.

- A. Irvine - Oak Ridges, ON, Canada

"You kept your promises even though I had not renewed my program. That is excellent customer service; other companies would not have followed up. I see you do the house next door. I am willing to give your company another try and I am willing to do my share. Thank you"
