

## No-Hassle Lawn care Guarantee

### NO FINE PRINT

LawnSavers guarantees your satisfaction in writing. We'll work with you and do whatever it takes to ensure a beautiful lawn. On our Protector Package, we will make as many service calls as it takes to give you a healthy lawn as we promised. If we are unable to do so, we will refund the cost of your last treatment.

"The point of our guarantee is that we never have to use it. LawnSavers employees are empowered and will do whatever it takes as part of your program to guarantee your satisfaction. There is no better guarantee available in the industry."

Kyle F. Tobin

President & Chief Environmental Officer

Note: The only time your guarantee will not apply is if:

Your lawn has a detrimental amount of thatch

You do not follow your LawnSavers Plant Health Care Specialist's recommendations provided on each visit.

### OverSeeding Guarantee

LawnSavers Technical Department conducts trials and tests on all seed available in the market and chooses only the best! We custom blend our seeds in order to provide you the best seed on the market, for a healthy lawn!

Our seed is 100 % certified! that means our seed is specially selected to have:

- More vigorous growth characteristics
- Better, Greener colour
- Better drought resistance
- Denser growth
- Endophyte enhanced (chinch bugs don't like to eat it!)
- Increased Germination

We will apply our seed at a generous rate to help thicken your lawn and fill in bare spots. We will use only the finest certified seed. It is your responsibility to ensure the seed gets adequate moisture, and proper care according to the instructions we leave for you. Due to the nature of seed growth and the duty of care required by you the customer, we can not guarantee the success of overseeding, but are willing to provide all the help and advice we can to work with you to ensure the best results.

Keep it moist and it will grow!
