## We need to talk!

It wasn't too long ago that we were a perfect pair. You took care of me. I made you look good to your friends and neighbours. We would spend the long summer nights together. You would feed me and quench my thirst. You knew how much I hated thistles and creepy, crawly insects. And you always protected me from them. You kept me well groomed, green and healthy. We were happy.

What happened? Now no one takes care of me. I'm alone, and aging poorly. I'm in worse shape than I have ever been. If you don't want me, set me free! There are others who will care for me!

A neighbour told me about LawnSavers. That pretty young thing down the street was a Cinderella story if I have ever seen one! In less time than I thought was possible, LawnSavers helped her go from worn to wonderful, from ragged to remarkable, failed to fantastic!

I know you have already moved on. Please, let me do the same and get LawnSavers to take care of me!

Sincerely,  
Your Lawn ☺
