

# CONGRATULATIONS 2019 READERS' CHOICE WINNERS

## AND THE WINNERS ARE...

The Readers' Choice awards highlight outstanding local people and places.

So outstanding, in fact that thousands of Torontonians showed their support by nominating their favourites for the rest of the city to see.

Nearly 40,000 votes were cast and counted in determining Toronto's best-of-the-best businesses, services and professionals.

In fact, there were so many votes cast for such a broad array of businesses

that we inevitably show tie situations for the 3 top distinctions of diamond, platinum and gold!

We included every single top winner for their due recognition within our communities!

So, on behalf of this year's nominees, thank you to all our readers for voting! You shared the places worth sharing. And now that we have our winners, we want to share too.

Looking for a good place to eat? Shop? Get a haircut? Get your vehicle serviced?

Check out the winners in this special section or at [thestar.com/TorontoRC](http://thestar.com/TorontoRC).

Now it's time for the best businesses in the community to be recognized. Review our readers' favourites, get inspired and give them a try!

These winners all have something great to offer, whether exceptional service, great value or simply memorable experiences.

Our winners list will be posted online at [thestar.com/TorontoRC](http://thestar.com/TorontoRC) throughout 2019 and into 2020.

Thank you Toronto  
for your support!
